## Reminder: Nominations due by Aug. 3 for Leaders in Clinical Excellence Awards

July 20, 2022

To the UT Southwestern Community:

Last month, we wrote to announce the opening of the nomination period for the 2022 [Leaders in Clinical Excellence Awards](#). With the August 3 deadline for nominations quickly approaching, we write again to encourage each of you to submit your recommendations.

As a reminder, there are seven categories of awards, including The President's Award for Diversity and Humanism in Clinical Care, and the Patricia and William L. Watson Jr., M.D. Award for Excellence in Clinical Medicine, UT Southwestern's highest honor in clinical care. Each of the awards provides a meaningful way to recognize the expertise, innovation, and dedication of our clinical faculty.

The nomination process is easy and [can be done entirely online](#). Ideally, we would like to see every department represented amongst this year's nominees.

To familiarize yourself with the Leaders in Clinical Excellence Awards program, please visit [Center Times Plus](#) or our [Clinical Faculty Awards site](#), where you also can review eligibility requirements and submit your nomination.

We look forward to celebrating this year's Leaders in Clinical Excellence award winners on Thursday, November 10. Thank you in advance for helping to shine a spotlight on the very best of our UT Southwestern Health System colleagues.
