

## Call for Nominations – 2024 Leaders in Clinical Excellence Awards

June 11, 2024

To the UT Southwestern Community:

We are pleased to announce that nominations are now being accepted for the 2024 Leaders in Clinical Excellence Awards.

These awards were established in 2018 to recognize clinical faculty across our many sites of service for their exceptional contributions to the care of our patients, to the education and training of the next generation of health care professionals, and to UT Southwestern overall.

Today we invite and encourage each of you to help us identify UTSW clinical faculty who merit special recognition and who are deserving of any of the seven awards detailed below. Among them is the Patricia and William L. Watson Jr., M.D. Award for Excellence in Clinical Medicine – our institution's highest honor in clinical care.

Please review the award categories and familiarize yourself with the nominee eligibility requirements.

[Nominations will be accepted online](#) through **Tuesday, July 23**, and will be reviewed by a faculty awards committee, co-chaired once again by John Mansour, M.D., Professor of Surgery and Vice Chair of Quality in the Department of Surgery, and Maeve Sheehan, M.D., Professor of Pediatrics, Vice Chair for Clinical Operations, and Physician Executive for the New Pediatric Campus.

The 2024 awards ceremony will be held in person **November 14** in the Tom and Lula Gooch Auditorium, with an option to join virtually.

We look forward to recognizing all our Leaders in Clinical Excellence honorees and to gathering with you to celebrate their extraordinary work.
