

## RADIOLOGY CONTRAST COVERAGE AND MRI CONSENTS/ISSUES

Updated 1-12-17

J. Leyendecker, Vice Chair of Clinical Operations

FIRST CALL FOR THINGS **NEEDING PHYSICIAN ASSESSMENT\*** (E.G. CONTRAST REACTIONS AND LARGE VOLUME EXTRAVASATIONS AND MRI CONSENTS)

Note: The patient always comes first. If you are approached by hospital personnel to assist with an emergency, please assist to the extent possible regardless of whether or not you are listed to cover.

Parkland and UTSW

- **16<sup>th</sup> floor ICU scanner at New Parkland:** ordering service
- **4<sup>th</sup> floor NICU MRI scanner:** ordering service
- **New POB CT:** Nuc Med is primary; Community is back-up (call Dr. Brewington if needed)
- **Anderson Clinic CT:** Abdominal Imaging is primary, Back-up is Breast
- **Anderson Clinic MRI:** Neuroradiology
- **Anderson Clinic CT/MRI *after hours*:** 3<sup>rd</sup> reader Parkland resident- needs to be notified if needed.
- **New Parkland (ACH) CT (including ED but not ICU):** Cardiothoracic
- **New Parkland (ACH) MRI (not NICU):** MSK
- **New Parkland (ACH) PET/CT:** Nuc Med
- **UT Pet Center and MR (Rogers):** shared coverage between MR & Nuclear Medicine division.
- **UT Breast Ctr:** Breast Div.
- **Aston:** Community Div. and Abdominal Imaging (whichever is covering on a given day)
- **Moncrief:** Community Div.
- **Richardson:** Community Div.
- **Zale MR and CT:** Neuroradiology
- **Meadows MR:** Neuroradiology
