

Goals for Internal Medicine Wards

Name _____

1. List three goals you would like to achieve during this rotation.
2. List at least two areas of performance on patient care (such as performing history, discharge counselling, breaking bad news, etc), physical exam (should be an exam we are likely to encounter, ie not fundoscopic), or teaching (mini lectures, teaching on rounds) that you would like to be *observed and receive feedback* on during my time with you.
3. What sources do you generally use to answer clinical questions?
4. Are you experienced in searching the medical literature?
5. What are your current career plans?
