## **Postdoctoral Training Position Available**

## Postdoctoral Research Fellowship/Endothelial Cell Biology of Cardiometabolic Disease

A postdoctoral training position is available in the laboratory of Dr. Philip Shaul and Dr. Chieko Mineo, in the Department of Pediatrics, Center for Pulmonary and Vascular Biology at UT Southwestern Medical Center to study fundamental processes in endothelial cells that govern cardiovascular and metabolic health and disease. Current areas of investigation in Shaul/Mineo Lab include the study of endothelial underpinning of atherosclerosis, endothelial mechanisms contributing to Type 2 Diabetes development, and endothelial basis for thrombotic disorders. Complete publication lists are available at PubMed for Dr. Shaul and Dr. Mineo.

We are seeking highly motivated candidates with a PhD, MD or MD/PhD. Interested candidates must have 1) a strong background in biochemistry, cell biology, molecular biology, or a related discipline, 2) a solid publication record, and 3) scientific curiosity and the desire and ability to work independently. Experience with genetic mouse models and genomic approaches are a plus.

Information on our postdoctoral training program, benefits, and a virtual tour can be found at <a href="http://www.utsouthwestern.edu/postdocs">http://www.utsouthwestern.edu/postdocs</a>.

Interested individuals should send a CV and statement of research interests to:

Philip W. Shaul, M.D.
Chieko Mineo, Ph.D.
Philip.Shaul@UTSouthwestern.edu
Chieko.Mineo@UTSouthwestern.edu

## **UT Southwestern Research and Training at a Glance:**

- World's No. 3 health care institution for publishing high-quality scientific research, according to the 2023 Nature Index
- Home to nationally and internationally recognized physicians and scientists, including Nobel Laureates, HHMI investigators, members of the National Academy of Sciences and of Medicine
- Over \$550M in research funding
- Comprehensive core facilities
- · Burgeoning biotech hub
- Blackstone LaunchPad entrepreneurial training and tools
- Postdoctoral certificate program, including nanocourses
- Graduate Career Development Office
- Postdocs have gone into careers in academia, biotech, pharma, consulting, and non-profits

## **Compensation & Benefits**

Postdoctoral Scholars are eligible for:

- Pay at the level of NIH NRSA stipends or higher and yearly pay review
- Health, Dental, and Vision Insurance Plans
- Retirement Benefits for employees
- Paid Time Off
- Relocation expenses for eligible appointments
- Student parking rates
- Access to the Student Center and Student Health/Student Wellness

**Dallas** offers big city excitement with quiet suburbs in a mix of Texas friendliness and cosmopolitan offerings.

UT Southwestern Medical Center is committed to an educational and working environment that provides equal opportunity to all members of the University community.
